2. When should the first delivery lot be delivered? (f.eg. 100 units of FM13210 are needed in calendar week 20, then enter 20 in column 4 in the row of article FM13210).
3. In which intervals do you continually need the respective articles (f.eg. the delivery lot 100 units of article FM13210 is needed every 8 weeks, then enter the number 8 in column 5).
